What a fantastic get-together the GSAs had at Fratello's Italian Grill in Manchester! We gathered in their upstairs lounge during the afternoon so we could mingle and socialize. The setting was perfect, complete with tiny white Christmas lights and greenery with red ribbons, while holiday tunes played quietly in the background. There were plenty of couches and comfy chairs near a welcoming fire, as well as some nearby tables and chairs.

A few of us shared some very tasty appetizers, while others enjoyed some of their other larger offerings like lasagna or sandwiches. Most of us also enjoyed a libation as well, and everyone seemed quite pleased!

Our server, Ashley, was fabulous! She was very personable, efficient, and always available when anyone needed anything.

The folks I worked with at Fratello's, Loretta and Keith, were also excellent. They were so flexible and accommodating as we came up with plans that worked for us during their very busy holiday season. We really appreciated their efforts. Fratello's is definitely a first-class establishment.

Thanks to all that were able to join us. It was a relaxing, fun time, with some great folks, naturally!

Wishing everyone a very happy and safe holiday season and a wonderful New Year. See you next year!
