BLOG: GSAS AT THE MADE IN NH EXPO

28 Apr 2016 3:21 PM | [Kelly Bryer](#) (Administrator)

The Made In NH Expo is always a favorite for GSAs. We have the best time helping out staff, exhibitors, and guests, and seeing the amazing array of things that are made right here in NH.

This year was pretty special, because there were a lot of GSAs involved in the Expo outside of our volunteer service, either representing their own businesses, or other organizations that they are involved with.

GSA and author [Richard Hatin](#), League of NH Craftsmen Concord Class of 2012, shown here with his #1 Fan Anne H, of the same class, had a booth to promote his books.

GSA Linda I, St. Mary's Bank – America's Credit Union Museum Class of 2008, had a booth to sell her gorgeous doll houses. They are custom designed and made by hand!

GSA Alice P, Cathedral of the Pines Class of 2014, and the new executive director at *NH Made*, was there to help promote NH made products and services.

GSA Betsy B, Children's Museum of NH Class of 2013, was representing the NH Building at *the Big E*. Naomi and Bob S, Strawberry Banke Museum Class of 2007, took a turn with that as well, but we didn't get a photo of them.

We also helped out our friends at www.VisitNH.gov with their booth at the Expo. GSAs Sonya C (Radisson Hotel Manchester Class of 2006) and Helen L (Manchester-Boston Regional Airport class of 2015) are pictured here, but there were many volunteers who helped with it over the course of the weekend.

We can't thank everyone who volunteered at the event enough. It was a fun time as always and there was a lot of shopping done before and after shifts!

Check out all of our photos from the event [here!](#)
